I trust the New Year has started well for you!  
2007 had been a year of great blessing and  
growth in NATIVE!

God had done several things throughout 2007 and I  
wish to highlight just a few:

- Over 13,000 children received Christmas gifts in over 120 villages including a state juvenile home
- 87 widows receive monthly support – 35 from January '07 and 52 from December '07, through Grace to Naomi
- 23 GLSLC started in as many villages to train village women in sewing and basic health. Each had 5 or more students.
- 816 women enrolled in 74 literacy centers through VWLP – Village Women's Literacy Program
- 976 delegates attended 2 GSCW's - Grace Sathuluri Conference for Women
- 40 enrolled in DLTT – Distance Learning Thru Tape
- 838 were trained MOTIVE's
- 48 Families received help as Flood Relief
